

GENUINE PICNIC FOR BALL FANS

Game That Was Replete With Many Exciting Moments.

HIRED PEOPLE BESTED

Sapulpa Team Reinforced by Two Vinita Players, Lost Two Exciting Games. The Story in Full.

Those cardinal uniforms set loosely on the Apollo-like forms of Blue-Jacket and Parks—too loosely, the Vinita boys thought, and proceeded to trim them into proper shape during the ball games of Saturday and Sunday. On the former day they took the "amateurs" into the shade by a score of 6 to 3.

Sunday, however, was the big day. The day when the hired men were going to "do things" to their old comrades of this burg. They did well, too, and earned their salaries and our unprejudiced fans are proud that they are a Vinita product, notwithstanding their appearance in "the points" against us.

So much feeling had been engendered that one of the largest ball crowds of the season turned out to witness the battle of the diamond. The rooters were in large numbers and good voice and the good natured chaffing was greatly enjoyed. Upon one or two occasions, however, the rooting degenerated into unpleasant personalities, but these offenses were committed by boys who have yet, in wisdom, to acquire a knowledge of the difference between "chaffing" and insult.

Taken all in all it was a mighty good game and was greatly enjoyed. Perfect order was maintained and not an atmosphere cleaving word that would be unpleasant for the ladies in the grand stand to hear was uttered, even during the moments of the greatest excitement.

A car load of busy young men from Sapulpa were here to encourage their team, and they had the best of going most of the time, keeping well in to the pole until the eighth inning. Then they subsided, being hammered into a quiescent state by Meade's smash to center.

Henderson and Blue both pitched good ball. At times they were well hammered, but they were generally supported. The crowd likes to see plenty of stick work and they were regaled yesterday. The run getting on both sides occurred after costly errors, except in the last inning, when Etter swatted the ball on the trade mark and brought in more runs than were needed to clinch a victory.

In spite of the "roasting" and "kidding" Bluejacket delivered the goods for his employers in the third, when he smashed the globe for a two-bagger, bringing in two runs and making the other two possible. He struck out six batsmen, Henderson puzzling seven. Vinita had four runners left on bases, while six of their opponents died on the bags. Roamer's spectacular catch of Robinson's fly in the fifth, and Smith's running catch in the eighth of a fly sent by the same batsman, were features.

When Meade opened up the sixth with a two-bagger our fans, who had become so much discouraged as to be listless, awakened and were crossed the plate for the first run. In the last of the ninth with the bases full and the score tied, the crowd held their breath until Etter belted out a two-bagger.

This will tell you something of the game:

FIRST—Bob Williams fanned, Parks flew to 3, Bluejacket flew to Meade.

Meade fouled to 1, Henderson safe to right, Etter safe to 2 on fumble, Henderson caught at plate on close decision, Ridenhour foul fly to 3.

SECOND—Bartholomew fanned, Vest fanned, Robinson passed, De Lozier safe to second, Guy Williams flew to Etter.

Bagby out Blue to 1, Higley fanned, Roamer lined to 1.

THIRD—Fultz safe to 2, Bob Williams sacrificed ball thrown to Higley who dropped it, both runners safe.

Loyal to Vinita

Jim Trollinger umpired yesterday's game of ball to the satisfaction of both sides. At times, as is usual, during the excitement of a game the referee's decisions are questioned, not infrequently, in violent language. Yesterday some men in the grand stand were criticizing the umpire in the hearing of Sam Ridenhour Jr., a bright six-year-old. The little chap didn't quite understand it fully but, realizing that something was wrong, said: "I jess wish my papa would hit that mean crippe in the head."

Articles of Incorporation

Articles were filed today incorporating the Independent Oil and Gas company of Dewey with a capital of \$25,000 divided into 1000 shares. The officers named are H. J. Smith, president; Mrs. H. J. Smith, vice-president and W. E. Bothe, secretary and treasurer.

Crossed the Wires

Some miscreant last night laid copper wires over the telegraph wires leading to and from the Katy depot, thus opening the circuit. From midnight until daylight the wires were troublesome and such an act might have caused a false message resulting in a train wreck and loss of life.

HOSKINS LIVES LIKE A BEAST

Awful Squalor at the Home Near the City.

Ned Hoskins, who lives like a beast two miles east of town, has gone to Tahlequah to complete his filing.

Many of the neighbors have known for some time of the squalor in which Ned and his family have been existing, and they have done about all the family would permit to better their condition. Today Deputy Marshals Neville and White went down to the place to see if they couldn't influence the family to at least take a bath. They found a rich farm stocked with a good team of horses, five cows, an equal number of calves, several yearling steers, chickens and ducks. Ned is reputed to live like a Mormon with his wife and stepdaughter, another stepdaughter having died last week. Each of the daughters had babies.

The officers found a hovel with the floor only partially boarded over. An old bed and a straw tick on the floor constituted the furniture. There were absolutely no knives or forks in the place and the chickens had the free run of the house, adding another odor to the awful stench. How human beings could live in such a place for any length of time mystifies the officers. The people have some money as the two boys are now cutting the second crop of hay, the first crop having been sold. The stepdaughter left a 4-year-old child and the living daughter has a baby. The legal wife of Hoskins and mother of the two girls refused to deny or affirm his paternity of the babies.

The family are Indians of seemingly less intelligence than an ox.

SEASON'S AMUSEMENTS.

Theatricals by Professional Artists to be Soon Presented.

The theatrical season will open early next month in Vinita's elegantly appointed, gilded and tasseled Thespian Temple for years known as the east side shed. Outward appearance does not always proclaim the true inwardness. The grand re-modelling of our opera house during the winter puts Muskogee's new theatre, that has not yet been built, in the shade of the time-light, and will, upon opening night surprise our people. Manager Butler does not want the fact to be known that such a renovation has taken place as he meant it to be a glorious, open-eyed wonder upon the night that Richard Mansfield opens in his great masterpiece, "Miss East from the West" and such like barnstormers will have to give way to James Hackett and at a "monstrous outcry" Miss Julia Marlowe and Edward Sothorn will appear in a revival of Shakespearean plays. Weber and Fields with Lillian Russell will furnish fun during the holiday week and the "Divine Sara" is cabled from Paris for a date.

We hoped so, but "Doc" Bridgeman says it's all "bosh." "The only renovation is that I dusted the chairs, mended the stove and Tom Allen patched up the cracks in the dressing rooms and repainted the drops."

The question of a new opera house is still an open one.

Will go to Monte Ne.

The Frisco will run a cheap excursion from Vinita to Monte Ne next Sunday. The train will leave Vinita at 5 a. m. and return at midnight. The place is a most beautiful one, and a company of Vinita people will make the trip.

Rev. W. L. Riley, L. L. D., Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief and the second entire relief. I can give it unqualified recommendation." 25c, 50c, \$1.00. People's drug store. dw

Badgett-Sanders Mercantile Company

"I enjoyed good health until about two years ago when I noticed my back began to ache frequently, it became sore and lame, and headache soon added to my misery; also found that my general health diminished. I became thin and weak and nervous, having severe pains at regular intervals," writes Mrs. Augusta Huxory, Treasurer New Century Club, 34 Dean Street (Roxbury), Boston, Mass. She continues: "My work which before had seemed an easy task soon seemed like a heavy burden. I decided to try Dr. Pierce's Favorite Prescription, which several of my friends praised so highly. I felt relief within a week, my appetite came back, the pains gradually decreased and I enjoyed sound sleep. Within fourteen weeks I had completely recovered my health. I seemed built up anew, my pulse, which had been weak, became normal, and new life animated my entire being. I gladly endorse your medicine."

Doctor Pierce's Favorite Prescription restores weak and sick women to sound health, by curing the local womanly diseases which are generally responsible for the failure of the general health. A woman's entire being is centered in her womanly nature. When the delicate womanly organism is attacked by disease, when there is irregularity or a disagreeable drain, when inflammation burns and ulcers gnaw the general health will reflect the progress of disease, in increasing weakness, nervousness, backache, headache, loss of appetite and sleeplessness.

So sure of it is the World's Dispensary Medical Association, of Buffalo, N. Y., proprietors of Dr. Pierce's Favorite Prescription, that they offer \$500 reward for women who cannot be cured of Leucorrhea, Female weakness, Protrusion, or Falling of Womb. All they ask is a fair and reasonable trial of the means of cure.

Dr. Pierce's Pleasant Pellets regulate the stomach, liver and bowels.

A Physician Healed.

Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cure. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success." People's drug store. dw

Consumption Threatened.

C. Unger, 211 Maple St., Champaign, Ill., writes: "I was troubled with a hacking cough for a year and I thought I had consumption. I tried a great many remedies and was under the care of physicians for several months. I used one bottle of Foley's Honey and Tar. It cured me, and I have not been troubled since."
